MAKING DISCIPLES WHO MAKE DISCIPLES

Weekend Recap

For the service this weekend, NVC launched a new series called PG; Parental Guidance. NVC believes in the family and desires to minister to all areas of life. This is one of the ways we are seeking to do that through equipping parents and grandparents.

Even though this series may be called “Parental Guidance”, it’s not just for parents. Anyone who is around kids, wants to have kids, or wants to be a mentor can glean much from this series. So encourage someone you know to join you at NVC over the next few weeks as we explore youth culture and how we can better engage and invest in the next generation.

NVC also participated at the blustery fall festival downtown on Sunday. It was incredibly cold but our folks turned out with great attitudes and served the city very well. From hosting the hay ride, train ride and free photo booth, to being one of the last stations to give away candy all the way until the end, NVC was present and gave their best to the city. Thanks NVC! I am very proud of all of you for the way you give and love.

Have a great week and see you again on Sunday!
