

# SAC MINISTRIES

**We believe in preparing for tomorrow by  
training more leaders today.**

We would like to thank you for all the love and support you have given us through the years! We would not be able to do all God has given us to do without you.

## **Buy A Goat**

Breeding goats, chickens, or other livestock can really help a family thrive by raising animals for renewable income. Would you consider purchasing an animal?

Buy a Goat US \$29

But a Chicken US \$8

Over the last year, SAC Ministries has been able to expand our ministry effort to equipping and training pastors in several cities. Pastors and lay leaders can now attend seminary classes and get quality training through SAC ministries. During the time in class, not only are there lectures and discussion but great times of encouragement. We are excited to see such a great response by these motivated leaders. Please pray for all these pastors and evangelists and new young students who want to become Pastors.

You can support native missionaries to get trained with your monthly support of US \$22 can help train each pastor and attain a degree in Bachelor in theology through NCTS ( North Carolina Theological Seminary) satellite Campus in Vijayawada, India.

Your Support of US\$ 37 can help support a missionary who has been trained through NCTS to go back to his own community and to his own people to teach and preach and evangelize.

Please continue to pray for all of these pastors and the churches they represent.

## SAC Christian School

As many of you may know, we currently have an orphanage that can house up to 200 children. Right now we have 45 children that reside with us.

Many of these children attend school locally but one of the goals we have for the facility they reside in is to begin a Christian school for them to attend. Not only would this allow for our children to get a Christian education but we could offer that to children in the community as well.

Being that we already have the space, we need assistance with funding to get the supplies needed like desks, books, and paying two teachers. The estimated cost for a year would be US \$7250. Would you consider helping us make this a reality? Thank you for your prayers and support!

Recently, I had a wonderful time with students and Pastors from NCTS Bible Seminary at Vijayawada, India. Pastor Ravi Lokesh took the morning session and after lunch I got an opportunity to teach them from other side of the World. Thank you all the NCTS students and Pastors.

## North America Trip 2018

Currently, I am in Canada for the next week. However, I've been in the USA for the previous few weeks traveling to many cities and churches sharing about the ministry of SAC. God has blessed me wonderfully with many great friends in the USA and Canada and I am truly grateful for their love and support!

With Love,

Pastor  
Rajendra

Last Sunday Preaching at Abundant Life, Church at Sudbury, Canada. Thank you Pastor Klaus for having me and the opportunity for preaching at your Church, I enjoyed being with you all.

# THE SAC ORPHANAGE

April 26, 2018

Thank you for supporting our precious children. It is because of your generosity that we have such a wonderful home! May God bless you!

Every gift makes a difference. If you'd like to make a tax-deductible donation, here are the options we have available. Thanks again for your generous support of SAC Ministries!
